DRAFT MUNICIPAL SUSTAINABILITY PLAN OPEN HOUSE

WE NEED YOUR INPUT TO HELP MAKE A DIFFERENCE! The Town of Sylvan Lake will be holding an Open House to offer community members an opportunity to review and comment on the new draft MUNICIPAL SUSTAINABILITY PLAN. The plan is the first step in Sylvan Lake's journey towards becoming a more sustainable place to Live, Work, and Play. It looks at what we need to start doing today in order to make sure future generations have the same opportunities that we do, without compromising the environment, our social systems, our economy and our cultural heritage and identity.

Public input is important and everyone is invited to attend the Open House. Staff will be available to answer any questions about the new draft and will encourage you to put your comments and suggestions in writing so that they can be addressed by staff and Council when considering adoption of the new document.

When: Thursday, March 11, 2010

Time: 5.00pm to 8.00pm

Where: Town Office, Sylvan Lake

Colleen Kish (Vice President) will be attending on behalf of the Chamber of Commerce

Copies of the draft document are available on the Town's website www.sylvanlake.ca

Questions or concerns can be directed at Kim Starzyk on Tel 403 887 1185 ext. 237

New Administrator Position

After 16 months with the Chamber I have decided to leave as Administrator, I have met some lovely people through the Chamber and have enjoyed my time here. So I would like to thank you all for making me welcome!

There should be a replacement for me very soon. My last day in the office is this Thursday March 4th 2010. Until a new person is hired the Chamber Office within the Curling Club will be temporarily closed. I will still be communicating e-mails to our members and updating the website until this position is filled.
