Fire Victims - Compassion Fund

The Compassion Fund, a non-profit organization (through the Sylvan Lake Community Partners Association) was created to assist those in Sylvan Lake and area that are in crisis situations. The organization is currently helping to assist the recent fire victims and due to the tremendous response of the community, they are in need of a short term storage facility to house the items (800-1000 sq ft) that people are donating until such time as they can be distributed to those in need.

The Fund is also in need of donations such as gas cards, food cards, vehicle repairs to single mothers in need, cash donations and the list goes on.

In addition, Community Partners is organizing a garage "give away" on Saturday June 12th. If you have any items that you wish to donate they can be dropped off at the Community Partners office (4936-50 Ave) prior to 9am on June 12th. There will be a BBQ held in the parking lot in front of the building after.

If you would like to help out, please contact either Dale Plante at (403) 505-5252 or the Sylvan Lake Community Partners Association office at (403) 887-9989.
