Alberta

## Employer Workshop

Sylvan Lake Chamber of Commerce invites local businesses to attend

### Finders Keepers Employee Recruitment Strategies

Employers will learn new strategies to successfully find the talent they need while raising their profile as an "employer of choice":

- Learn about recruitment strategies used by Alberta employers.
- Explore how to customize your approach to engage frequently overlooked talent sources.
- Review the recruitment planning process.

This is a great opportunity to share ideas with fellow employers and access additional resources. Businesses at all stages of planning or development are welcome to attend.
